## GENERAL ELECTION 2019

First News would also like to know which issues concern young people most. Please can each pupil vote on which topic they are most concerned about (one vote only). Teachers, please count up the votes for each topic. You will be asked to enter these when you enter your general election results.

Which issue concerns you most?

Put a ✓ by the issue.

	Affordable housing
	Animal cruelty
	Brexit
	Crime and policing
	Defence (national security and terrorism)
	Environment/pollution
	Health (doctors, hospitals and dentists)
	Homelessness
	International aid
	International relations
	Job opportunities
	Lowering the voting age from 18 to 16
	Mental health
	Poverty and inequality
	Racism and hate crime
	Refugee crisis
	Schools
	Transport (roads, public transport)
	University, apprenticeships

Do you want to pass on the reason you have chosen this issue to First News? It could feature in a special report after the general election.

Or write any other thoughts you have on the issues in the list or the Dec 12th 2019 general election.

Write your comment in the speech bubble below and your teacher can pass it on to First News.
