

HOW TO ACCESS YOUR FIRST NEWS DIGITAL EDITION

On iOS Devices

1 Download the 'First News Newspaper' app from the App Store

2 Tap the options icon at the bottom of the screen and then tap 'Login/Register'

3 Tap 'I have a print subscription from the publisher which entitles me to digital access'

4 Enter your First News Education ID, followed by your initials. Your First News Education ID can be found on your package information enclosed in this pack

5 Return to the start page and Tap 'Download' under this week's issue

For example, Alex Smith logging in with a First News Education ID of **FN123456** would enter **FN123456AS**.

This allows multiple pupils to login on multiple devices using the same First News Education ID. Each pupil will need to use a unique First News Education ID.

You can deploy the First News app to multiple devices using your MDM solution.

If you have any questions, please email education@firstnews.co.uk
or call (+44) 01371 851 898, weekdays 9.00am to 5.00pm.

HOW TO ACCESS YOUR FIRST NEWS DIGITAL EDITION

On Android Devices

1 Download the 'First News Newspaper' app on Google Play

2 Tap 'Existing subscriber login' at the top of the screen

3 Tap 'I have a print subscription from the publisher which entitles me to digital access'

4 Enter your First News Education ID, followed by your initials. First News Education ID can be found on your package information enclosed in this pack

5 Tap the menu button and select 'My Library' to download the latest issue

For example, Alex Smith logging in with a First News Education ID of **FN123456** would enter **FN123456AS**. This allows multiple pupils to login on multiple devices using the same First News Education ID. Each pupil will need to use a unique First News Education ID.

You can deploy the First News app to multiple devices using your MDM solution.
