# FEATURES TO EXPLORE

## POP-OUT ARTICLES

Either read each page as a traditional newspaper or select an article to focus in on with the 'pop-out' feature. Enjoy comfortable reading through options to change the font size, print the article or click through to the next story seamlessly.

## BOOKMARKS AND ARCHIVE

Bookmarks let the reader save pages to quickly and easily reference at any time. Plus, browse our extensive archive of previous issues to find stories to suit every lesson, ensuring you get the most out of your subscription.

## CREATE A CLIPPING

Teachers and pupils can create clippings of articles to save or print. Use this handy feature for lesson planning, including content for reading activities, articles for discussions, and sessions focused on journalistic writing and school newspapers.

## FIND TOPICAL CONTENT

Quickly and easily search the latest edition and archived issues by keyword, to effortlessly find related articles which you can use within your lesson and homework plans.

## VIEWING OPTIONS

Each reader can adjust how pages are displayed to suit their preference, including zoomed view, single pages, or double-page spreads. Plus, download single pages or whole editions as PDFs, whenever you want.

## TOUCH-SCREEN FRIENDLY

Fully optimised for iOS and Android tablets and phones as well as desktops and laptops, to ensure everyone has the best reading experience across all devices in your school.
