

TAKEOVER CHALLENGE: HOW GREEN CAN YOU GO?

SECONDARY VIDEO CHAT SHEET

This resource is designed in partnership with WWF-UK as part of the *First News* Takeover Challenge. This year the Takeover Challenge is a campaign called 'How Green Can You Go?' which focuses on encouraging children to think about business and sustainability. This resource accompanies the Takeover Challenge video and includes questions to help you to discuss its contents with your pupils. It is designed for learners aged 11-14. Completing this will help to equip young people with the knowledge they need for the Takeover Challenge when they ask local businesses about their sustainability practices.
