

TAKEOVER CHALLENGE: HOW GREEN CAN YOU GO?

PRIMARY VIDEO CHAT SHEET

This resource is designed in partnership with WWF-UK as part of the *First News* Takeover Challenge. This year the Takeover Challenge is a campaign called 'How Green Can You Go?' which focuses on encouraging children to think about business and sustainability. This resource accompanies the Takeover Challenge video and includes questions to help you to discuss its contents with your pupils. It is designed for learners aged 7-11. Completing this will help to equip young people with the knowledge they need for the Takeover Challenge when they ask local businesses about their sustainability practices.

Takeover Challenge video:

- What are Thomas and Maya investigating in this video?
- Which businesses are they visiting?

Sky - Thomas

- What type of business is Sky?
- What do you learn about sustainability at Sky in this video?
- What are Sky doing to try and be sustainable?
- How are Sky teaching their viewers about sustainability?
- How do Sky plan to improve their sustainability in the future?
- What have you learnt about sustainable business from Thomas' visit to Sky?
- Do you have any reflections on Sky's sustainability?
- If you visited Sky, what questions would you ask about their sustainability?

Tottenham Hotspur F.C. - Maya

- What type of business is Tottenham Hotspur F.C.?
- How has Tottenham changed its stadium and training ground to make them more sustainable?
- Can you remember anything else Tottenham are doing to be more sustainable?
- Why is it important for big sports organisations to think about the environment?
- What have you learnt about sustainable business from Maya's visit to Tottenham Hotspur?
- Do you have any reflections on Tottenham Hotspur's sustainability?
- If you visited Tottenham Hotspur, what questions would you ask about their sustainability?

Now it's up to you! This year the *First News* Takeover Challenge has a green theme, in partnership with WWF-UK. It's called How Green Can You Go? That's the question we want you to ask businesses. Your mission is to challenge your local businesses to see if they are doing everything they should to protect our planet.
